Introduction

It is the responsibility of the head of centre to ensure that Manor High School has a written conflicts of interest policy for inspection that must be reviewed and updated annually. This policy confirms that Manor High School:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Manor High School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to

collect any conflict of interests

from

all centre staff

to

identify and manage any potential conflict of interest.

.

Declaration process

An electronic conflict of interest form is sent to all staff in the Autumn term. Those who have highlighted they have a conflict of interest will then be asked to sign the formal declaration form. The exams officer will collate all responses to ensure any conflicts of Interests are identified early on in the exam season.

Managing conflicts of interest

A conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded

on the log. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process. The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the

qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.
