

Manor High School

Excellence – Inspiration – Resilience – Respect

Dear Parent/Guardian,

As a school we pride ourselves in having a robust, functional, comfortable and smart school uniform that makes our students look and feel proud to be at Manor High School.

We have listened to feedback from past, current and future parents of students and as a result shall be making some changes to our school uniform. In doing so we have looked to try to reduce the cost of our current uniform and have re aligned our branded items to match the Department for Education's guidance on limiting branded items.

The overall purpose of these changes is to maintain our student's pride in wearing the Manor High School Uniform but to also allow parents to have more flexibility regarding where to purchase items that no longer have the school logo at different retailers that may be more cost effective.

These uniform changes are intended to come into effect from the next academic year (August 2025), but as the supplier begins to run down old stock there may be some items that are not available sooner than this.

We do have a pre-loved uniform shop in school and anyone can access this via the school Reception. We will continue to stock and sell old uniform from our school pre-loved shop until our stock runs down. This gives all families the opportunity to purchase school uniform at a significantly reduced rate.

If you have any questions about the new uniform, please do email these in to admin@manorhigh.leics.sch.uk where we aim to respond as quickly as possible, if we see a pattern to the same questions, we will endeavour to add a Frequently Asked Questions (FAQ) section to our website to help alleviate an

A full breakdown of our school uniform is overleaf where any changes have been explained.
