Headteacher: Mr S Greiff

Grace Brown

Vice Chair of Governors

I have been the Head Teacher of Brookside Primary School for 11 years and bring 25 years of leadership and educational expertise across primary education to the governing board. I was previously the Chair of Governors and have served on the governing board now for 3 years.

My background enables me to contribute to governance in the following areas:

SEND provision and inclusion, curriculum development and teaching standards, particularly in English and literacy, strategic leadership and school improvement, staff development and performance management as well as safeguarding and pupil welfare. I have a strong background with Special Educational Needs and Trauma-Informed Practice. I support and challenge the school around these areas to ensure that all Manor High School students have a positive experience. Every child is different and school has a duty to ensure that they do the very best that they can to meet the needs of its students.
