Headteacher: Mr S Greiff

## **Sophie Bodycote**

### **Green Governor**

I am a Governor at OAK Multi Academy Trust, currently serving a four-year term. I retired from teaching in September 2025 and have always had a close link with Manor High school having been the deputy head at Brookside Primary school for 15 years. I have always had an interest in protecting the environment so after retirement I took on the role of Trust sustainability lead for a day a week. In this role I work alongside the sustainability and eco-leads of all the Trust schools providing guidance and helping each school meet sustainability targets on their climate action plans. Each of the Trust schools are working towards achieving the Green Flag award and I also support them with this.

As Green Governor, I ensure that sustainability is on the school agenda and that pupils have the opportunity to learn about green careers and have hands on experience, through working on the green flag award, to improve the biodiversity of the school environment.

In addition to my trust role I also work with a landscape gardener and have been involved in a number of planting projects in Leicester and the surrounding area. I live in a village on the outskirts of Leicester with one of my daughters, my grandson, 2 cats and a mad dog. In my spare time I walk my dog and volunteer at my local primary school running the eco-club.
